## MESSAGE FROM THE PRINCIPAL

At Christian Technical Training Centre (CTTC), we are committed to delivering quality technical and healthcare education in line with the standards set by the Punjab Board of Technical Education, Punjab Medical Faculty & other regulatory bodies. Our institution is distinguished by its state-of-the-art laboratory facilities, modern infrastructure, conducts regular seminars and workshops for the students and teachers, and establishes and maintains academia-industry linkages.

A core focus of our teaching methodology is practical, hands-on learning. CTTC also fosters strong academia-industry linkages, ensuring our students remain aligned with market demands. Our dedicated Job Placement Office supports graduates in securing employment, and our annual EXPO brings together industry leaders who engage directly with students for internships and job opportunities.

CTTC offers diverse technology programs to cater to the needs of today's rapidly changing environment. We aim to groom young, fertile brains through experiential learning and make them competent workers, law-abiding citizens, and spiritually enlightened individuals. With a focus on quality education, practical training, and holistic development, CTTC continues to be a preferred destination for students seeking a meaningful and career-oriented education.

# INTERNATIONAL GATHERING 2025

BAKU, AZERBAIJAN

## PAK CONNECT LEADING & TRANSFORMING TOGETHER 3

- Principal CTC Represents SCD at International Gathering in Baku, Azerbaijan
- Encourage, Equip & Empower
- Partnership for Holistic Transformation in Pakistan

During the gathering, the Principal actively engaged in the education group, where he presented his action plan to strengthen the technical and healthcare education sectors. He also shared the vision and mission of SCD, highlighting the organization's ongoing efforts to empower children and youth through education, skill development, and community transformation. The event brought together participants from various organizations who shared their visions for child and youth education, as well as church outreach.

The **Deputy Commissioner of Gujranwala** visited the CTC & SCD campus on **March 26th, 2025**, and appreciated the management for their dedication to producing job-ready graduates through quality education and hands-on training. His encouraging words motivated both students and faculty to continue striving for excellence.

## OUTSTANDING ACHIEVEMENT IN PBTE EXAMS 2024

We are proud to announce that the student of the Architecture Department Mustafa Farooq at CTC have secured Overall **3rd Position** in the PBTE 1st Annual Exams 2024.

In recognition of this outstanding achievement, he received a merit-based prize award from the Punjab Board of Technical Education (PBTE). CTC has also awarded him a 100% scholarship to support and celebrate his academic excellence.

## AWARENESS SESSION ABOUT KITE FLYING BY DSP & SHO GRW

On **February 19th, 2025**, the DSP and SHO Gujranwala visited CTC to address the serious dangers of kite flying. They spoke with students, highlighting how this activity has led to many tragic accidents and even deaths.

They also emphasized that kite flying is illegal, and the government has strict punishments for those who violate the law.

## CTTC Makes History with a Memorable Visit to Gujranwala Garrison

We are proud to share that the Pakistan Army invited CTC students to an exclusive session at Gujranwala Garrison on **January 24th, 2025**, marking a historic first for our institution, thanks to the efforts of our Principal.

The students had the honor of attending a powerful talk on "The Story of Pakistan: A Saga of Belief, Resilience, and Hope," delivered by a distinguished Lt. General Syed Imdad Hussain HI(M). Following the session, they explored various stalls set up by the Army and visited the Army Library, gaining valuable insights into military excellence and national service.

## SCD COUNCIL MEETING

The SCD Council Meeting was held on **May 3rd, 2025**, bringing together key members to review ongoing initiatives and institutional progress. development. During the meeting, the Principal of CTTC presented a detailed progress report, highlighting key achievements, program developments, and the continued emphasis on practical, market-driven training for students. The council appreciated the efforts of the CTTC team in maintaining high standards of technical education and skill development.

## GEC MEETING

The GEC Meeting was held on **May 1st, 2025**, to review institutional developments and strategic planning. During the meeting, the Principal of CTTC presented the progress report of the institution, outlining recent achievements, improvements in training facilities, and the continued focus on practical skill-based education. The committee acknowledged the positive developments and encouraged the team to sustain the momentum.

A teacher training workshop on "Modern Techniques of Teaching" was successfully organized at CTTC on **February 22nd, 2025**, thanks to the dedicated efforts of Principal CTTC. This insightful session aimed to enhance teaching methodologies and professional skills. We were honored to have Mrs. Rodica Filat as the international resource person, who shared valuable insights and strategies to improve classroom engagement and leadership.

## CTTC MANAGEMENT COMMITTEE

The Management Committee Meeting was held on **March 22nd, 2025**, focusing on institutional performance and planning. During the meeting, the Principal of CTTC presented a comprehensive progress report, showcasing recent accomplishments, advancements in practical training, and student development initiatives. The Principal also shared the future plans for CTTC, including new programs and facility enhancements aimed at aligning with industry needs.

On **May 2nd, 2025**, Mr. and Mrs. Robert Lotze, son and daughter-in-law of Mr. Irvin Gustav Lotze (former Principal of CTTC, who served from 1948 to 1970), visited the CTTC campus. During their visit, they toured the facilities and interacted with staff and students. They expressed deep appreciation for the excellent campus environment, the dedication of the principal and faculty, and the institute's strong focus on practical skill development.

Principal CTTC attended the conference titled "Climate Action for the Future: Empowering Women and Children in the Face of Change" held on **February 27th, 2025**, in Islamabad. The event was organized by KNH Pakistan and featured Governor KPK as the Chief Guest.

# Climate Action Conference, Islamabad

*Meeting of Principal CTTC with Assistant Commissioner of Gujranwala and Director of Social Services.*

**NEW SHA PROJECT LAUNCHED IN KOT BHAWANI DAS**  
KNH has signed a new SHA project agreement with the Society for Community Development (SCD) in the Kot Bhawani Das village. The project, titled "**Combating Environmental Pollution and Reducing School Dropout Rates Through SHA,**" aims to address pressing environmental challenges while promoting education for children in the community. This marks another important step in our shared commitment to sustainable development and child welfare.

From **April 14th-17th, 2025**, a Training of Trainers (ToT) workshop titled "**ToT on SHG Formation (Module 0, I & II) and Monitoring & Reporting Tools**" was organized by KNH at Grand Faletti's Hotel, Gujranwala. The SHA team of SCD actively participated in the workshop, engaging in valuable sessions focused on the formation, management, and reporting structures of Self-Help Groups (SHGs).

## CTTC FRIENDS & ALUMNI PRAYER INITIATIVE

On **May 30, 2025**, Principal CTTC organized a special Alumni and Friends Prayer Meeting at the CTTC. The event was also broadcast live on Zoom, allowing alumni from across the country and abroad to join virtually. The gathering focused on praying for the growth of CTTC and the peace and progress of Pakistan. Alumni shared inspiring testimonies of how CTTC impacted their lives, making it a memorable and uplifting occasion for all.

### Visit of Dr. Bashir Khazan

On **February 26th, 2025**, Dr. Bashir Khazan, Founder and Chairman of CFI, visited CTTC. CFI has been a long-standing partner in supporting deserving students of CHS, CTTC, and the Paramedical Program through scholarships, helping many continue their education with dignity and hope. During his visit, Dr. Khazan interacted warmly with students and staff, taking a keen interest in their academic and training experiences. He appreciated the management's efforts in providing an excellent learning environment and emphasized the importance of continued focus on skill development and student support. We are grateful for his continued encouragement and generous contributions toward empowering our students.

## DELEGATION FROM BRITISH HIGH COMMISSION VISITS CTTC

On **February 25th, 2025**, a delegation from the British High Commission in Pakistan visited the Christian Technical Training Center (CTTC). During their visit, the delegation toured the campus and interacted with staff and students. They highly appreciated the efforts of the management and faculty in providing quality technical and healthcare education across various disciplines.

A special thanks to Former Faculty Member of Electrical Department for his valuable contribution of 3-phase motors, digital earth tester, motor winding machine, and his support in the renovation of the Electrical Department, which will greatly enhance the learning environment for students.

## ADVANCE CADRE TRAINING

Principal CTTC organized a 4-day intensive workshop on Community Action on Disaster Response (CADRE) was successfully conducted from **March 13th-17th, 2025**, for paramedical students. This specialized training was led by the Rescue 1122 team and provided an international certification to all participants.

## WELCOME PARTY & HOSPITAL CERTIFICATE DISTRIBUTION

Welcome Party for the Pioneer Batch of Paramedical Students and a Certificate Distribution Ceremony for students on **February 13th, 2025**, who successfully completed their 2-months hospital training. The event was graced by esteemed guests, including Principal CTTC- Dr. Roman Kalvin, HoD Paramedical Dr. Kenneth Kamran, Dr. Lilly Robert, and Mrs. Saba Roman.

## CTTC Tree Plantation & Cleanliness Walk

CTTC proudly organized a Tree Plantation and Cleanliness Walk on **March 26th, 2025**, to promote a Clean and Green Pakistan. We were honored by the presence of Deputy Commissioner Gujranwala-Mr Naveed Ahmed, Chief Executive Secretary SCD - Mr. Imran Azhar, Principal CTTC Dr. Roman Kalvin, and enthusiastic students in this meaningful initiative.

# SPORTS GALA

February 25th to 28th, 2025

CTTC successfully organized an exciting Sports Gala from February 25th–28th, 2025, where students participated with full zeal and enthusiasm, showcasing their talent, teamwork, and sportsmanship. The Electrical Department won an overall departmental trophy.

## MOU with MEDCARE INTERNATIONAL HOSPITAL GUJRANWALA

By the grace of God, CTTC has officially signed an MoU with MEDCARE International Hospital. Now, students of the Paramedical department have the opportunity to gain practical training at this esteemed hospital. A great achievement in enhancing hands-on learning and professional growth of Paramedical students.

## PARENT TEACHER MEETING

On **March 4th and 8th, 2025**, We had an outstanding 90% parent turnout – a testament to the strong partnership between our students, parents, and teachers. Your involvement is a crucial factor in ensuring our students' success and academic growth. It was an enriching experience to connect, discuss progress, and align on future goals together.
